25 March 1958

MEMORANDUM FOR: General Millard Lewis
Assistant Chief of Staff, Intelligence, USAF

SUBJECT : Activation of URPIC-2

1. In pursuance of the initiation of Operation ROBINHOOD, the Air Force is requested to activate URPIC-2, the photographic processing and interpretation center at the Fifth Air Force, Yokota, Japan. It is my understanding that all of the arrangements and plans for prompt activation have already been agreed between the Air Force and CIA.

2. In keeping with the needs for prompt reporting on the raw materials collected by ROBINHOOD, it is desired that URPIC-2 be temporarily established at [redacted] I understand that detailed arrangements with regard to this movement are now in process.
